Re: Notice of Infringement Regarding Certain Tonic Users

Dear Whom it May Concern:

I am writing on behalf of the Alliance for Creativity and Entertainment ("ACE").

ACE is a global coalition of leading content creators and on-demand entertainment services committed to supporting the legal marketplace for video content and addressing the challenge of online piracy. ACE includes some of the world's largest and most respected motion picture and television rights owners including, among many others, Paramount Pictures Corporation, Sony Pictures Entertainment Inc., Universal City Studios LLC, Walt Disney Studios Motion Pictures, Warner Bros. Entertainment Inc., Amazon Content Services LLC and Netflix Studios, LLC (together, the "ACE Members").

ACE is organized for the purpose of preventing and mitigating online theft of copyrighted films and television programs, and undertakes initiatives to identify and take action against piracy threats to create an online environment in which copyrighted film and television content is more secure and online content theft can be addressed more effectively and efficiently.

The ACE Members, whether themselves or through subsidiaries and affiliates, own or are the exclusive licensees of copyrights in a vast library of motion pictures and television programs (the "Copyrighted Works").
